CELEBRATING THE BIRTH ANNIVERSARY OF DR. A.P.J. ABDUL KALAM HELD ON 15-10-2026

15 October 2026 | Malineni Lakshmaiah Women's Engineering College (Autonomous)

Malineni Lakshmaiah Women's Engineering College (Autonomous) celebrated the birth anniversary of Dr. A.P.J. Abdul Kalam, the visionary scientist, inspiring teacher, and beloved People's President of India, on 15 October 2026 with great enthusiasm and grandeur. All departments of the college joined together to commemorate his life, achievements, and enduring contributions to science, education, and nation-building.

As part of the celebrations, the college organized an unforgettable one-day workshop for school children, conducted by Mr. Sandra Sudheer, to inspire young minds through learning, creativity, and innovation. The workshop provided an engaging platform for school children to explore new ideas, develop scientific curiosity, and understand the importance of practical learning and technological advancement.

The celebrations aimed to promote Dr. Kalam's vision of encouraging students to dream big, think creatively, pursue knowledge, and contribute meaningfully to society. Various departmental initiatives reflected his ideals of dedication, discipline, innovation, and service to the nation. The programme also emphasized the importance of nurturing young talent and empowering students to become responsible citizens and future innovators. Through these activities, the college reaffirmed its commitment to providing an inspiring learning environment that encourages creativity, scientific thinking, and academic excellence. The birth anniversary celebrations served as a heartfelt tribute to Dr. Kalam's remarkable legacy and his unwavering belief in the power of youth to transform the nation.
