Global Horizons: Higher Education Abroad – Awareness Session held on 21-09-2026

The Department of Training and Placements, Malineni Lakshmaiah Women's Engineering College (Autonomous), - Guntur, organized an awareness session titled "Global Horizons: Higher Education Abroad" on 21 September 2026 for IV B.Tech students. The session was conducted under the theme "From Classrooms to a Global Tomorrow" with the objective of creating awareness about international higher education opportunities and helping students make informed decisions regarding their academic and career pathways. Mr. Sheshu Babu, the resource person, interacted with the students and provided valuable guidance on planning for higher studies abroad. The session covered important aspects such as selecting suitable countries and universities, understanding admission requirements, preparing for standardized examinations, estimating tuition fees and living expenses, and exploring available academic and career opportunities. The resource person also highlighted the advantages and challenges associated with pursuing higher education in different countries and encouraged students to begin their preparation well in advance. The interactive session enabled students to clarify their queries and gain a realistic understanding of the opportunities and responsibilities involved in studying abroad. The programme was beneficial in broadening students' perspectives on global education and strengthening their awareness of international academic opportunities. The session concluded with an interactive question-and-answer session.
